

Warehouse Registration & Offering System

(NEW SYSTEM HOSTED ON MPWLC WEBSITE)

USER MANUAL

MPWLC OWNED GODOWN REGISTRATION

Ver 1.0
February 2018

MP Warehousing and Logistics Corporation

Office Complex, Block 'A'
Gautam Nagar,
Bhopal (M.P)

1. BACKGROUND

MPWLC is in continues process to transform the service delivery by introducing efficiency in its processes. These changes will be helpful to the concerned stakeholders in long run. In compliance of the same, a new application has been developed for MPWLC to register their Owned Warehouse / Godown to offer the capacities for storage in various crop seasons. Previously these activities were undertaken by third party portal.

2. SCOPE OF DOCUMENT

This User manual covers the Registration activities to be undertaken by the MPWLC.

3. REGISTRATION FORM ENTRY

With the launch of the new Application for Warehouse Registration & Offering System, all previous registrations are now **NOT VALID**.

All Branch Manager / Regional Manager must have to **REGISTER** their Warehouse / Godown in this system to be considered for mapping for storage.

In order to register themselves, all Govt Agencies must go to the link available in MPWLC official website <http://mpwarehousing.com/> and click the URL <http://mpsc.mp.nic.in/warehouse/JointVentureScheme/JointVentureSchemeApp.aspx>

 - 2) WRDA License - Does it has Present Validity?(WDRA License)(Yes /No), WDRA registration No at present, Valid Up Date (select from date picker only)
- C) **Warehouse In-charge / Manager Details** - User has to enter the correct details of godown in charge such as Name of Godown In charge/ Manager, Godown In charge/ Manager Address with Postal Address, Designation, Mobile, and Email etc.

Warehouse Incharge/Manager Details *			
Incharge/Manager Name :		Incharge/Manager Address with Postal Address:	
Designation :		Mobile No. :	
Email ID :			

- D) **Godown Description / Details** - User has to enter the correct details of Godowns situated in a campus only. If the godown are not in one campus and situated in other places then separate registration must be filled. Such godowns which are situated in other campus or other places will be **rejected**. Hence this data entry needs utmost care.

Here user may enter ore than one godown available in campus and enter their length, width and Height in Feet Only. The system will accept **maximum height only up to 18 Feet**. Hence even the height of godown is more than 18 feet; user has to enter 18 feet only. Capacity will be automatically calculated by the system and user has to enter the construction year only.

All godowns in a campus can be added through this part of screen. Godown entered here only will be eligible for offering in next step. Also once submitted, no change in information is possible.

Aprt from above data as mentioned User has to enter the Number of Gates in Each Godown and maximum Unloading capacity of that godown along with Storage Type from Dropdown list.

Godown Description * Height should be between 4 ft to 18 ft. *									
Godown No.	Length in Feet	Width in Feet	Height in Feet	Select	Capacity (MT)	Construction Year	Number of Gates in Godown	Estimated Unloading Capacity in a day of Godown (MT)	Storage Type
1				☐					--Select--
Add Godown									

- E) **Bank Account Details** – It is not mandatory for Govt agencies but it is advised the State level account of these agencies must be given so that it can be used in online payment related exercises.

Bank Account Detail:			
बैंक का नाम		अकाउंट नंबर	
बैंक शाखा		IFSC कोड :	

- F) **Nearest Distance of Warehouse From** - User has to enter the correct distances of his/ her Warehouse / Godown from (nearest) National Highway, /State Highway, Railway Station, Mandi, Goods Shed and nearest Railway Rack Point.
